# Together is better.

## *About Corrymeela*

In our increasingly divided world, we are a movement of people rallied around one inspiration idea: *'Together is better'*.

Every year we welcome thousands of people from all walks of life, to our beautiful Ballycastle home and into our programmes in communities around Northern Ireland.

We deeply believe that everyone is welcome, whatever their background, ethnicity, faith, sexuality or nationality.  
**We welcome everyone – *because together is better.***

From programmes enabling young people to tackle sectarianism, to supporting survivors of racism and homophobia, we work relentlessly to tackle intolerance, hatred and oppression.  
**We challenge injustice – *because together is better.***

As we hear each other's story, we learn how to live well with each other.  
**We change ourselves – *because together is better.***

And, we'd love to welcome you.  
***Because together is better.***

We're looking  
forward to  
**welcoming you!**

See how our amazing centre  
can work for your group.
